Supported by

Care and Repair

Who can Care and Repair help?

- Older people and vulnerable disabled persons in Ceredigion who need help with repairs, improvements or adaptations to their homes.
- Homeowners and private tenants.

What do we do?

We visit all clients at home to:

- Advise and assist in arranging and financing adaptations/repairs
- Give Technical/Energy Efficiency Advice
- Give Benefits Advice/Assistance e.g. Attendance Allowance, Pension Credit
- Advise on possible grant benevolent funds
- Refer on to other agencies if appropriate
- Work in Partnership with: Ceredigion County Council and Ceredigion NHS Trust

What don't we do?

- Pay for the work
- Make recommendations
- Raise expectations
- Guarantee the works

Homesafety Scheme

A home based visiting service for older people, to assess on safety and security in the home. Any agreed works would be carried out free of charge by our Home Safety Craftsmen.

- Falls and accidents prevention
- Home safety
- Fire safety
- House security
